Outside Validation Scope

This product certification body is accredited by CYS-CYSAB (Cyprus Accreditation Body) under accreditation number C010 as a Product Certification Body, in accordance with the recognized International Standard ISO/IEC 17065:2012 “Conformity assessment — Requirements for bodies certifying products, processes and services”. The accreditation covers the ETA and LAMBDA certification of power supply units and of multimedia (information technology) equipment, and the PHI certification of cooling fans, each as a Type 1a scheme according to ISO/IEC 17067. Certifications outside that scope are not covered by the accreditation. This accreditation demonstrates technical competence for a defined scope and the operation of a management system.
